

## **Middleburgh Rod & Gun Club**

We will be holding an indoor center fire pistol competition on February 18th from 10:00 am until 2:00pm.

You must be legally allowed to shoot a handgun in New York State.

You will need 2 magazines or 1 speed loader for the shoot. Any center fire pistol or revolver can be used with target loads, but you cannot use magnum loads.

The course of fire will be;

- 5 rounds into a silhouette target in 10 seconds
- 5 rounds loaded with a 5 round reload, = 10 rounds in 20 seconds (mandatory reload)
- 1 round loaded for a 1 second head shot

We will change the target and you will repeat the above.

The target will be checked for any errant head shot on target before we do the called 1 second head shot.

You need 32 rounds for each time you want to shoot the course of fire. You will also need a safety indicator to put into the open breach firearm to show that it is clear so we can go down range to change targets. The safety indicator can be a zip tie that goes from the chamber and out the barrel or a piece of weed trimmer string. If you don't have one there are some you can borrow. You also need eye and ear protection.

The cost is \$5.00 for the first 32 round course of fire. You can shoot it as many times as the time allows for \$3.00 each additional round

Money goes to help the club operate and to cover the cost of the targets.
